

ACHEMA FRANKFURT-GERMANY MAY 11th - 15th, 2009

KEEP YOUR SOLUTION IN SIGHT.

Solutions from PSG™ at ACHEMA 2009

PSG™ (Pump Solutions Group) is a leading provider of high quality, innovative pump technology “solutions” for the chemical and general process industries. Featuring some of the world’s premier pump brands—Wilden ®, Blackmer ®, Mouvex ®, Almatec ®, Neptune™ and Griswold™—PSG is eager to show you the latest pumping solutions for your chemical applications.

We invite you to visit the PSG booths at the upcoming ACHEMA 2009: 29th International Exhibition Congress in Chemical Engineering, Environmental Protection and Biotechnology in Frankfurt, Germany, on May 11-15, 2009.

PSG will be located in Hall 8, Booths B5-B10 & M27-M29.

John D. Allen, President of PSG, stated, “Today, the process industry is under a tremendous amount of pressure to continually improve environmental protection, energy efficiencies and overall processes in order to strengthen the bottom line. We will be debuting several technologies that will assist chemical process companies to meet these enormous challenges. ACHEMA serves as a great venue to listen to our customers’ needs in order to better serve them in the future.”

PSG will be introducing several new technologies at ACHEMA. Some of the pumping solutions that will be featured at the event are:
